Startup Valencia anuncia el programa más internacional de Valencia Digital Summit

Valencia, 3 de diciembre de 2021.- Startup Valencia, la asociación del ecosistema emprendedor valenciano, ha anunciado su programa más internacional para la cuarta edición de Valencia Digital Summit, el evento tecnológico de referencia de la Comunidad Valenciana que tendrá lugar los próximos 15 y 16 de diciembre de 2021 en el Oceanográfico de Valencia, bajo el lema 'Inspiring the Good Future'.

Como ya se adelantó en la presentación del evento, Valencia Digital Summit 2021 es la apuesta más internacional de las cuatro que -con esta- lleva Startup Valencia celebrando. Más de 300 speakers de 20 nacionalidades participarán en este encuentro, ubicados en 4 escenarios temáticos con más de 60 horas de contenido, para el que se esperan más de 4.000 asistentes presenciales, además de los online.

Sobre Startup Valencia

Startup Valencia es una organización privada sin ánimo de lucro que, desde 2017, representa a las *startups* de la Comunidad Valenciana y es referente de un ecosistema de empresas innovadoras y tecnológicas que impulsa la competitividad de la economía valenciana. Entre los principales objetivos de Startup Valencia se encuentran la consolidación de la Comunidad Valenciana en el ámbito tecnológico, el fomento del emprendimiento, la conexión con el talento científico-universitario y la creación de un marco adecuado para el escalado de proyectos digitales.

La entidad sigue consolidándose como uno de los clusters más importantes del país, cuenta ya con más de 250 asociados del sector digital y tecnológico con base en la Comunidad Valenciana y con la colaboración de Jeff, GoHub (Global Omnium), BStartup (Banco Sabadell) y Google for Startups como Global Partners; Dekalabs, Wayra (Telefónica), Elewit (Red Eléctrica), Zeus Smart Vision Data, Decathlon Open Innovation, PlugandPlay y BigTranslation como Corporate Partners; y Transparent Edge Services, Sales Layer, DWF-RCD, SpeedOut, Damm, Aktion Legal, Fresh People, Voicemod, Sesame, Glovo, Zubi Labs y GeeksHubs como Partners.
